

# OCR Psychology: AS Revision Guide

Cara Flanagan

This is a comprehensive student revision guide for those taking the OCR AS Psychology exam. It summarises the specification material clearly and attractively, so that information can be easily digested and retained. Packed full of revision tips and techniques, the book includes a number of unique and helpful features: Overviews of the OCR specification content Coverage of all the core studies A separate chapter dedicated to research methods and preparing for the exam A large number of exam-style questions and answers, annotated with teacher comments Separate sections for each unit exam on how to answer questions successfully A comprehensive glossary of important terms and their definitions, to aid understanding of the material. OCR Psychology: AS Revision Guide provides the detailed information which will aid students in their preparation for the exam. Although a companion to OCR Psychology: AS Core Studies and Psychological Investigations, Third Edition, by Philip Banyard and Cara Flanagan, this revision guide can be used alongside any OCR AS-Level Psychology textbook.
