

Obsessions Can Be Murder : Charlie Parker Mysteries, Book 10

Connie Shelton

Charlie, Drake and their dog Rusty want a little time away from it all. A cozy cabin, good books, a little fishing at the lake. Its what Charlie needs to relax and enjoy herself. But the town of Watsons Lake, New Mexico, has a little unsolved mystery. Four years ago a showplace home--tucked away in the mountains above the lake--blew sky high. A young woman died. The owner of the home disappeared the same day. His gold-digging wife wants the insurance money his daughter wants him to come home. And Charlie cant resist investigating. As she sorts out the clues she finds that the citizens of this little mountain town--including the sheriff--have loads of secrets. The missing homeowners life is an intricate puzzle and Charlie is determined to piece it together. Here is what others have said about USA Today bestselling author Connie Shelton and her books: Shelton can only expand her fan base with this solid effort. --Publishers Weekly, Charlie Parker is getting rather good at her vocation, as Connie Shelton is proving to be an adept practitioner of hers. -New Mexico Book Talk Shelton continues to combine suspenseful storytelling with sensitive portrayals of complex family relationships. --Booklist
