

Obsidian Truth : Remnants of the Soul` Exposure

Kwuelii

As a volcano erupts, it spews lava. This lava flows downward and begins to cool. As it does, it transforms into a black glasslike rock, obsidian. Obsidian Truth is a compilation of the truest narrations of the author's spirit. He allows self to surface with a glasslike transparency. Various facets of life are elaborated on. Emotions are addressed. Struggles are confessed. Defeat is acknowledged. Victory is proclaimed. Falsity is confronted. Truth prevails.
