Chandos Wren Hoskyns

Excerpt from Occasional Essays The particular subject which I have selected for this the opening lecture of the season, is one which I can easily suppose will have occasioned some sur prise and curiosity - The Invisible World! What can he meanby the Invisible World? Something very mysterious, no doubt I - something very far removed from the practical ordinary life of men and things something more curious than useful - Mesmerism perhaps, or Electro-biology Table-turning, Spirit rapping, or some other form of ideology and spirit life. These seem to be the topics suggested by the ordi nary ideas of what belongs to the Invisible World. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
