FREQUENT FLYER IN THE KEY OF GREEN

J.K. OXFORD

## Odonata : : Frequent Flyer in the Key of Green

Jk Oxford

Playing piano the child's consciousness is swiftly transported to higher dimensions of reality. The flying tourist begins to hear voices and to see ethereal visions which move her ever forward on a mystical odyssey she dare not share with anyone. Bizarre, disappearing guests and visits by birds with human faces conjoin with the mysterious appearance of a book - a pivotal sign that an inner transformation is at hand. Gripped by an obsessive quest for truth underlying numerous otherworldly postcards from the edge- through Yoga meditation she prepares herself for the final approach, recognizing at last the voice which has followed her for decades, the voice of her spiritual Preceptor - a Master of Wisdom who abides in the higher octaves over the trans-Himalayan fastnesses of Tibet.
