

# THE Occasional Sailor

# The Occasional Sailor

Angus Glennie

ANGUS GLENNIE

After failing miserably at school and then again as a young officer cadet in Her Majesty's Royal Navy, life for Angus was unraveling rapidly. But quite by chance Angus stumbled upon the world of yacht delivery and shortly thereafter entered the glamorous world of private yachts, beginning, on the Cote d Azure of France. The reader follows Angus through almost twenty years of seafaring remaining by his side through storms, equipment failures, and the antics of fellow crew members. With seascapes of unspeakable beauty, scurrilous chefs getting drunk and scantily clad guests, it is surprising that there is time to explore the complex world of fence-building and personal fitness instruction which turn out to be almost as hazardous as life at sea. All this is narrated with a sailor's eye for detail and a salty sense of humor that is guaranteed to tickle the funny bone of even the most landlocked of readers.
