The Oddstock Girls : Book Two in the Oddstock Series

Kj Melville, Edited by Janet Angelo

In this second book in the Oddstock Series, Annie Harper is the enigmatic new girl in town, blonde, beautiful, soft spoken, and by appearance, perfect. She seems to have everything together, but there are doubts in her heart. Isnt Richard the man of her dreams, the one she hopes to be with forever? If so, then why does the charming Davie Hamilton keep pulling at her heart and imagination, and how is he always able to make her live and laugh so spontaneously just when shes sure she has everything sorted out? How can she fathom the path God wants her to take in choosing between them? Back with us again from The Oddstock Folk, Book One in the series, is Ellie Brown, who fast becomes Annies best friend and confidante. As they find their hearts drawn to two very special young men, Ellies dry wit and humorous view of life keeps things fun. Join the good friends and hospitable folk of the town of Oddstock amidst its beautiful setting in the rugged country of Scotland in their quest for love, loyal friendship and Gods perfect will for their lives.
